AGREEMENTS: AMUD SERVICE – NON DISTRICT

1. The district agrees to provide water and or sewer to the customer, and customer agrees to purchase such service from the District in accordance with all rules, regulations, rates and charges as existing or as amended from time to time.
2. All water meters, taps and other facilities installed by the District are for the sole use of the customer, who shall not transfer service from one property or owner to another, nor share, sell or sub-meter service to any other person, dwelling, business or any other entity, under penalty of law.
3. The District shall have the right to locate service facilities on the property of the customer at a point chosen by the District. The customer agrees to grant to the District an easement and reasonable access to District facilities for all installation, maintenance repair and removal purposes.
4. The customer shall install, at his own expense, a service line from the District meter or tap to the point of use, and shall hold the District harmless from all claims for damage to real or personal property resulting therefrom or caused thereby.
5. The District shall not be responsible for the repair or replacement of any real or personal property within utility easement or right-of-way damaged in the process of installation, repair, maintenance, or removal of any facility of the District.
6. In the event of water shortage, the District may restrict usage in any manner deemed equitable by the Board of Directors.
7. No connection from the District water system shall be made to any type of non-potable system except through an air gap.
 - 7.1. The customer hereby consents to inspection by the District of all plumbing facilities at this service location at reasonable times to insure compliance with the TCEQ 290.44.
8. The District assumes no liability for a blockage or rupture of the sewer main occurring as a result of the acts of third persons, acts of God or force majeure and not as the result of the acts or commissions of the District.
9. All construction shall be in accordance with the current General Development Policy and Construction Standards of AMUD. The District shall inspect all water facilities on the customer's side of the meter prior to providing service. The inspection is to prevent possible cross connection between potable (safe) water and any non-potable (unsafe) water.
 - 9.1. A cut-off valve must be included in the customer service line within 12" of the meter.
 - 9.2. A similar inspection will also be made of all sewer facilities on the customer side of the tap.
 - 9.3. DITCHES IN WHICH SEWER AND/OR WATER SERVICE LINES ARE LAID CANNOT BE CLOSED UNTIL INSPECTED BY AMUD PERSONNEL. ARRANGEMENTS FOR COORDINATION OF THESE INSPECTIONS MUST BE MADE BY THE BUILDER OR OWNER, OR THEIR AUTHORIZED REPRESENTATIVES WITH A 24 HOUR NOTICE GIVEN TO AMUD.**
10. You are hereby notified that theft, conversion, or unauthorized appropriation of water belonging to AMUD is unlawful and violates AMUD Resolution 05-09-154 and §31.03 Texas Penal Code, the fine for which varies from \$500.00 to \$10,000.00 as set forth above. The applicable fine is due and payable at the AMUD Office at 2001 Fall Creek Highway in Granbury, Texas on or before the expiration of ten (10) days from the date of the citation.
11. **AMUD WILL NOT ESTABLISH SERVICE TO PREMISE IF SERVICE LINES ARE NOT INSPECTED.**
12. **ENFORCEMENT.** If the customer fails to comply with the terms of the Service Agreement, AMUD shall, at its option, either terminate service or properly install, test, and maintain an appropriate backflow prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the Customer.
