

AMUD SERVICE AREA

The District is a Municipal Utility District created by the Texas Water Commission on July 21, 1982 and confirmed by an election held on August 14, 1982.

The rights, powers, privileges, authority and functions of the District are established by the general laws of the State of Texas pertaining to Municipal Utility Districts. Acton Municipal Utility District (PWS ID# 1110007) operates under the authority of the Texas Commission on Environmental Quality (TCEQ).

The District is composed of a number of subdivisions, individual residential properties and undeveloped agricultural lands surrounding the southern portion of Lake Granbury and a portion of the Brazos River which flows from Lake Granbury.

Acton Municipal Utility District (AMUD) maintains the water system for portions of Hood County and Johnson County; including the subdivisions listed here.
